LIVE-FIRE DEMONSTRATION
ASSUMPTION OF RISK, LIMITED RELEASE & INDEMNITY

In consideration of access to "Darley Days" on December 1, 2026, including the live-fire demonstration and related activities at Crucible Learning Center, Virginia (the "Event"), I agree as follows. "Protected Parties" means W.S. Darley & Co.; Crucible Learning Center ("Crucible"); Crucible's owners and operators; and their respective affiliates, directors, officers, employees, agents, instructors, range personnel, volunteers, successors, and assigns acting in connection with the Event.

1. Risks; voluntary assumption. LIVE AMMUNITION IS USED. I understand and appreciate risks of gunfire, unintended discharges, ricochets, fragments, hot brass, equipment or ammunition failure, blast, noise, burns, smoke or lead exposure, terrain, and others' acts or omissions, including negligent instruction, supervision, equipment selection or maintenance, or premises conditions. These risks can cause serious injury, disability, hearing or vision loss, death, and property damage, including to observers despite precautions. I knowingly and voluntarily assume these understood risks to the extent legally permitted. I may decline activities or withdraw to a designated safe area.

2. Eligibility; safety. I am at least 18, legally eligible, and physically and mentally able to participate safely. I will attend the safety briefing, obey range commands and safety rules, use required protective equipment, remain in authorized areas, and handle firearms only as authorized and supervised. I will not participate while impaired. I will report hazards, stop when instructed or unsafe, and follow evacuation instructions. Personnel may restrict or terminate my participation.

3. Release to extent enforceable. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, I release the Protected Parties from my claims arising from the Event and risks described above, including property damage, bodily injury, or death, INCLUDING THEIR SOLE OR CONCURRENT ORDINARY NEGLIGENCE. This release does not apply to any personal-injury or death claim that governing or mandatory applicable law prohibits releasing in advance. No provision excuses gross negligence, willful or wanton misconduct, intentional wrongdoing, or liability that cannot lawfully be waived. Each legally permissible application of this release is independent.

4. Separate indemnity, defense and hold harmless. Subject only to applicable nonwaivable legal limits, including Section 5, I will indemnify, defend, and hold harmless each Protected Party against third-party claims arising from my Event attendance, conduct, or equipment, including liabilities, judgments, reasonable settlements, attorneys' fees, and defense costs, INCLUDING CLAIMS CAUSED BY THAT PARTY'S SOLE OR CONCURRENT ORDINARY NEGLIGENCE, to the fullest extent permitted by law. Protected Parties may select reasonable counsel; no settlement may impose obligations on them without their written consent. This excludes my own injury or death claims, derivative claims, and governmental recovery claims relating to my injury or death; it does not penalize exercise of

nonwaivable rights. It excludes the misconduct and nonwaivable liability identified in Section 3. This separate obligation survives the Event.

5. Official capacity; representative authority. IF I AM ATTENDING IN AN OFFICIAL CAPACITY, I represent that I have obtained required approvals for my attendance and participation. I execute this agreement individually and, to the extent of my actual lawful authority, on behalf of the agency or other entity identified below. If executing for that entity, I represent that I possess authority for the specific commitments undertaken on its behalf and will identify the source and scope of that authority upon request. Official status alone creates no contractual exemption from Sections 1–4. Nothing in this agreement concedes the absence of authority or releases, limits, or waives any Protected Party's otherwise available claim or argument against an agency or other entity, including based on actual authority or legally effective ratification. No provision requires an obligation prohibited by nonwaivable law; any exclusion is limited to the prohibited obligation or application and does not impair lawful individual or entity obligations.

6. Governing law; venue; severability. Illinois law governs, excluding its conflict-of-laws rules, subject to mandatory, nonwaivable applicable law. Proceedings under this agreement shall be brought exclusively in Illinois state courts or, if federal jurisdiction exists, federal courts in Illinois. I consent individually, and for any entity to the extent of my lawful authority, to those courts' personal jurisdiction and waive venue and inconvenient-forum objections to the fullest extent permitted by law. Each Protected Party is an intended third-party beneficiary. Invalid provisions or applications are severable; lawful provisions remain effective. No oral statement changes this agreement.

Agency/employer and attendance capacity (write "official" or "private"):

If signing for an agency/entity: title and source/scope of actual authority:

I HAVE READ AND UNDERSTAND THIS AGREEMENT, INCLUDING THE RELEASE, INDEMNITY, AND OFFICIAL-CAPACITY AND AUTHORITY REPRESENTATIONS; HAD AN OPPORTUNITY TO ASK QUESTIONS; AND SIGN VOLUNTARILY BEFORE ENTRY.
