Dear Darley Customer:

W. S. Darley & Co. is pleased to announce the dates for our **October, 2023** Pump School.

Oct 9, 2023	OEM/Service Center/Fire Departments
Oct 9, 2023	EVT Testing at Darley Facility 4PM-8PM
Oct 10, 2023	Continue Major Pump Repair Session
Oct 10, 2023	<i>Optional class "Selling the Darley Pumps"</i> <i>(For OEM /Sales People)</i>
Oct 11, 2023	Class Completion & Certificates

This class is comprehensive and covers everything from pump theory to hands on maintenance and repair of Darley Pumps and accessories. The classes are held in Chippewa Falls, Wisconsin.

As in the past, the school is free. **Attendees pay only for their room, meals, and transportation.** Each student will receive a flash drive of our Pump School Manual, along with some other goodies.

We encourage all OEM and Service Centers to send someone at least every five years to maintain your discount level and to stay current on the newest technology, such as CAFS. Please encourage your customers to attend.

Enclosed you will find an application and agenda for these classes. Please note that these schools fill up quickly and enrollment is limited to approximately 30 students. Details will be sent upon return of application.

Please see the following page for information regarding credit card hold & cancellation fees.

If you should have any questions, please feel free to contact me at (715) 726-2650 or you can email pumptraining@darley.com .

Sincerely,

James Jones
